

This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or motor housing. The parts are numbered 1 through 52. The diagram is organized into several sub-assemblies indicated by dashed lines:

- Top Left Sub-assembly (Parts 1-18):** Shows the internal components of a housing, including a central shaft assembly (12, 13, 14, 15, 16, 17, 18) and various gaskets and seals (2, 3, 4, 5, 6, 7, 8, 9, 10, 11).
- Top Right Sub-assembly (Parts 22-35):** Shows the external housing and mounting components, including a mounting bracket (22), a flange (23), a gasket (24), a mounting plate (25), a flange (26), a mounting bracket (27), a flange (28), a mounting plate (29), a gasket (30), a flange (31), a gasket (32), a flange (33), a mounting plate (34), and a mounting bracket (35).
- Bottom Left Sub-assembly (Parts 49-51):** Shows a base plate (51) with mounting holes (49, 50).
- Bottom Right Sub-assembly (Parts 37-41):** Shows a large housing component (37) with a mounting bracket (38) and a mounting plate (41).
- Other Components (Parts 19-21, 29-36, 42-48, 52):** Various individual parts including screws, bolts, washers, and seals.
