

番：AB110-1521(0643-4059)
ユニット型番：DLU810H21/N-N5(0643-8151)

The technical drawing illustrates the DLU810H21/N-N5 unit. The side view (top) shows a long, narrow profile with a total length of 2432. Key dimensions and features include:

- Two $\phi 20$ holes for mounting (2- $\phi 20$ 穴 取付用) spaced 1200 apart.
- Two $\phi 20$ K.0 holes for mounting (2- $\phi 20$ K.0 取付用) spaced 1400 apart.
- A $\phi 26$ hole for power use ($\phi 26$ 穴 電源用).
- Callout (4) points to a square feature on the side.
- Callout (3) points to a rectangular feature on the side.

The front view (bottom) shows the unit's width and the distribution of mounting holes. A small detail view of a corner is shown in the top right corner.
