

This exploded view diagram illustrates the assembly of a portable engine. The components are numbered as follows:

- 1**: Main engine housing (left side)
- 2**: Main engine housing (right side)
- 3**: Main engine housing (top)
- 4**: Main engine housing (bottom)
- 5**: Main engine housing (middle)
- 6**: Main engine housing (top cover)
- 7**: Main engine housing (bottom cover)
- 8**: Main engine housing (side cover)
- 9**: Main engine housing (side cover)
- 10**: Main engine housing (side cover)
- 11**: Main engine housing (side cover)
- 12**: Main engine housing (side cover)
- 13**: Main engine housing (side cover)
- 14**: Main engine housing (side cover)
- 15**: Main engine housing (side cover)
- 16**: Main engine housing (side cover)
- 17**: Main engine housing (side cover)
- 18**: Main engine housing (side cover)
- 19**: Main engine housing (side cover)
- 20**: Main engine housing (side cover)
- 21**: Main engine housing (side cover)
- 22**: Main engine housing (side cover)
- 23**: Main engine housing (side cover)
- 24**: Main engine housing (side cover)
- 25**: Main engine housing (side cover)
- 26**: Main engine housing (side cover)
- 27**: Main engine housing (side cover)
- 28**: Main engine housing (side cover)
- 29**: Main engine housing (side cover)
- 30**: Main engine housing (side cover)
- 31**: Main engine housing (side cover)
- 32**: Main engine housing (side cover)
- 33**: Main engine housing (side cover)
- 34**: Main engine housing (side cover)
- 35**: Main engine housing (side cover)
- 36**: Main engine housing (side cover)
- 37**: Main engine housing (side cover)
- 38**: Main engine housing (side cover)
- 39**: Main engine housing (side cover)
- 40**: Main engine housing (side cover)
- 41**: Main engine housing (side cover)
- 42**: Main engine housing (side cover)
- 43**: Main engine housing (side cover)
- 44**: Main engine housing (side cover)
- 45**: Main engine housing (side cover)
- 46**: Main engine housing (side cover)
- 47**: Main engine housing (side cover)
