

This diagram is an exploded view of a mechanical assembly, likely a pump or engine component. It shows the following parts and their labels:

- Top Section:** Includes a large housing (130, 110, 120, 480, 470, 490, 500, 510, 580) and a central shaft assembly (150, 190, 180, 230, 440, 470, 520, 620).
- Internal Components:** Shows a piston/crank mechanism (100, 070, 080, 090, 020, 030, 060, 040, 210, 330, 610, 520, 320, 290, 310, 300, 540, 530, 260, 340, 360, 350, 280, 270, 290, 320, 370, 410, 400).
- Seals and Gaskets:** Various O-rings and seals (010, 020, 050, 060, 160, 170, 165, 240, 260, 270, 280, 290, 320, 370, 410, 400).
- Fasteners:** Numerous bolts, nuts, and washers (130, 110, 120, 480, 470, 490, 500, 510, 580, 100, 070, 080, 090, 020, 030, 060, 040, 210, 330, 610, 520, 320, 290, 310, 300, 540, 530, 260, 340, 360, 350, 280, 270, 290, 320, 370, 410, 400).
- Other Components:** Includes a large flywheel or gear (170, 165, 140, 100, 070, 080, 090, 020, 030, 060, 040, 210, 330, 610, 520, 320, 290, 310, 300, 540, 530, 260, 340, 360, 350, 280, 270, 290, 320, 370, 410, 400).
