

This exploded view diagram illustrates the assembly of a mechanical device. The components are numbered as follows:

- 1-6:** A series of small fasteners or seals at the bottom right.
- 7-8:** A large cylindrical component in the center.
- 9-15:** A sub-assembly on the bottom left, including a pressure gauge (16).
- 17-21:** A bracket-like component at the bottom center with various mounting points.
- 22-31:** A complex assembly at the top left, including a lever (31) and various bolts and nuts.
- 32-42:** A vertical assembly of various small components, including a piston or plunger (39) and seals.
- 43-46:** A small sub-assembly on the right side.
- 47:** A warning label with Japanese text and a triangle symbol, pointing to the main cylindrical component (7-8).
